## { TIPS }

- ❖ **Prepare your game plan early.** Be as detailed as possible.
- ❖ **Download retail and coupon apps** to receive additional discounts.
- ❖ **Don't forget to check social media for special codes**, especially Twitter and Instagram!
- ❖ **Get the weekend newspaper.** The Sunday paper offers a wide variety of coupons.
- ❖ **Store reward cards are key:** Receive bonuses and points while you shop. Sign up for these before your trip to the mall.
- ❖ **Use a credit card that offers rewards.** If you're spending, why not get something back?
- ❖ **Remember to price match.** This requires some homework but it's worth the effort.
- ❖ **Check online stores to comparison shop.** Online stores compete with in-store deals and sometimes the prices are even better.
- ❖ **Don't forget about return / exchange policies.** Make sure some impulse buys don't turn into mistakes you are stuck with.
- ❖ **Go with a friend.** If you can swing it, grab someone with a passion for shopping and tackle the holidays together.
